Nibble

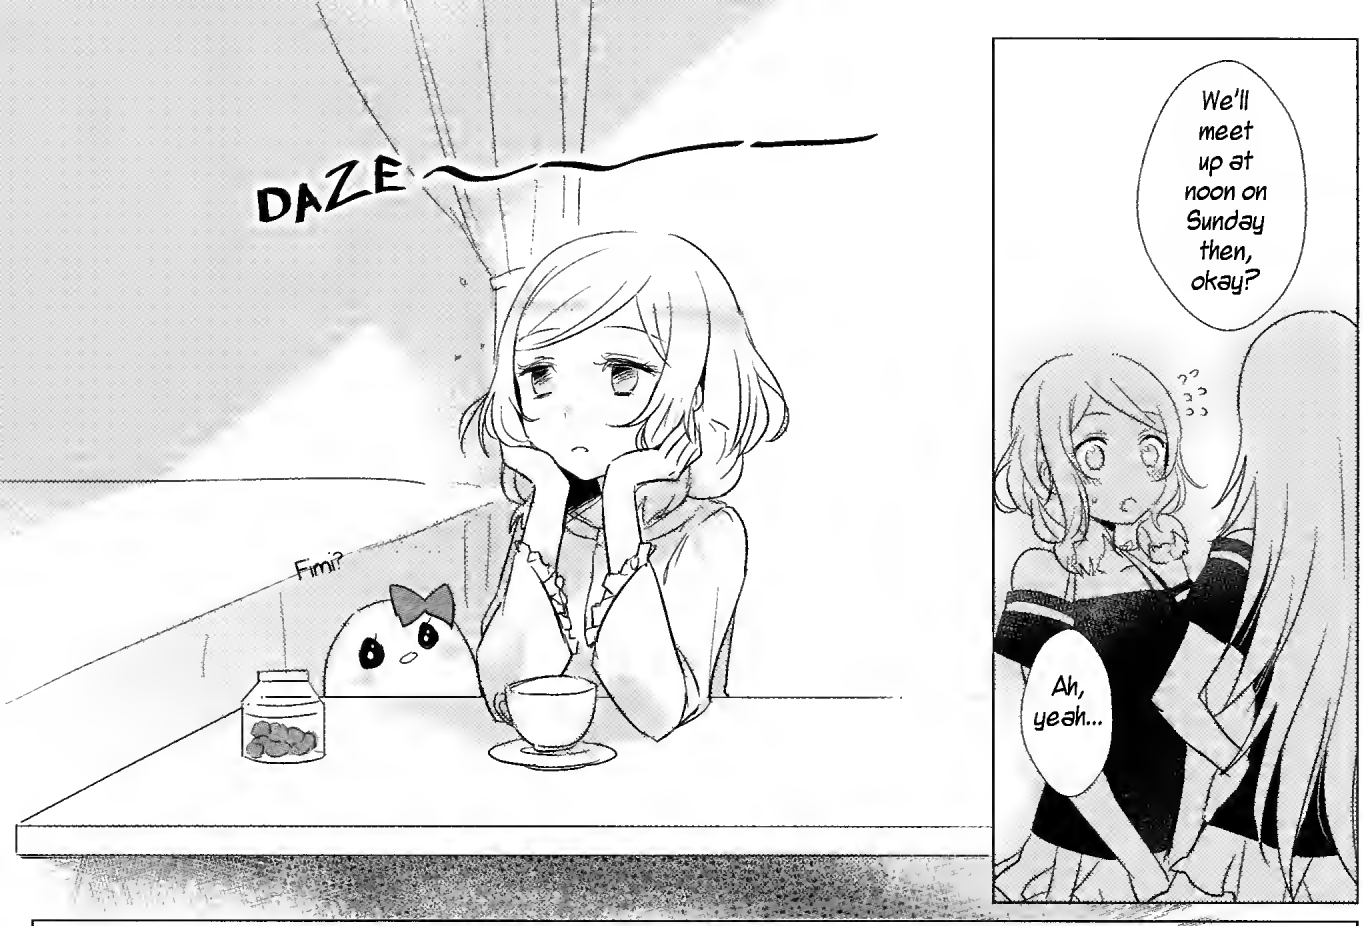
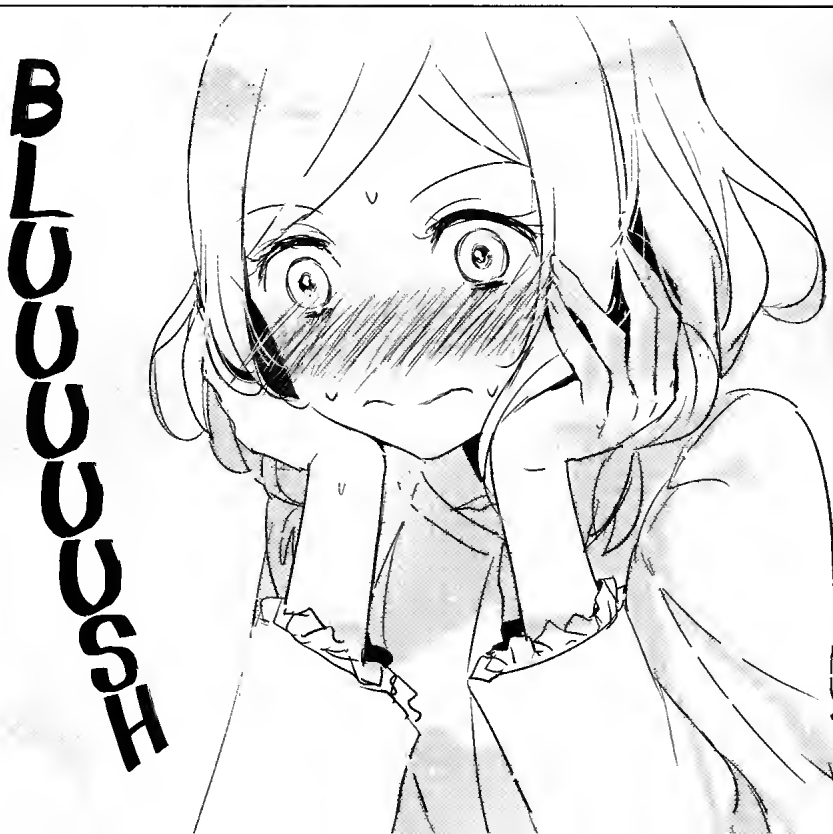
A birthday present for Naru-san?
Yeah, I figured you'd know what she'd like better than anyone else, Oto.
Do you want to go and pick out a present for her together?
Uh... Sure, if you think I'll be able to help...



I'll be there.

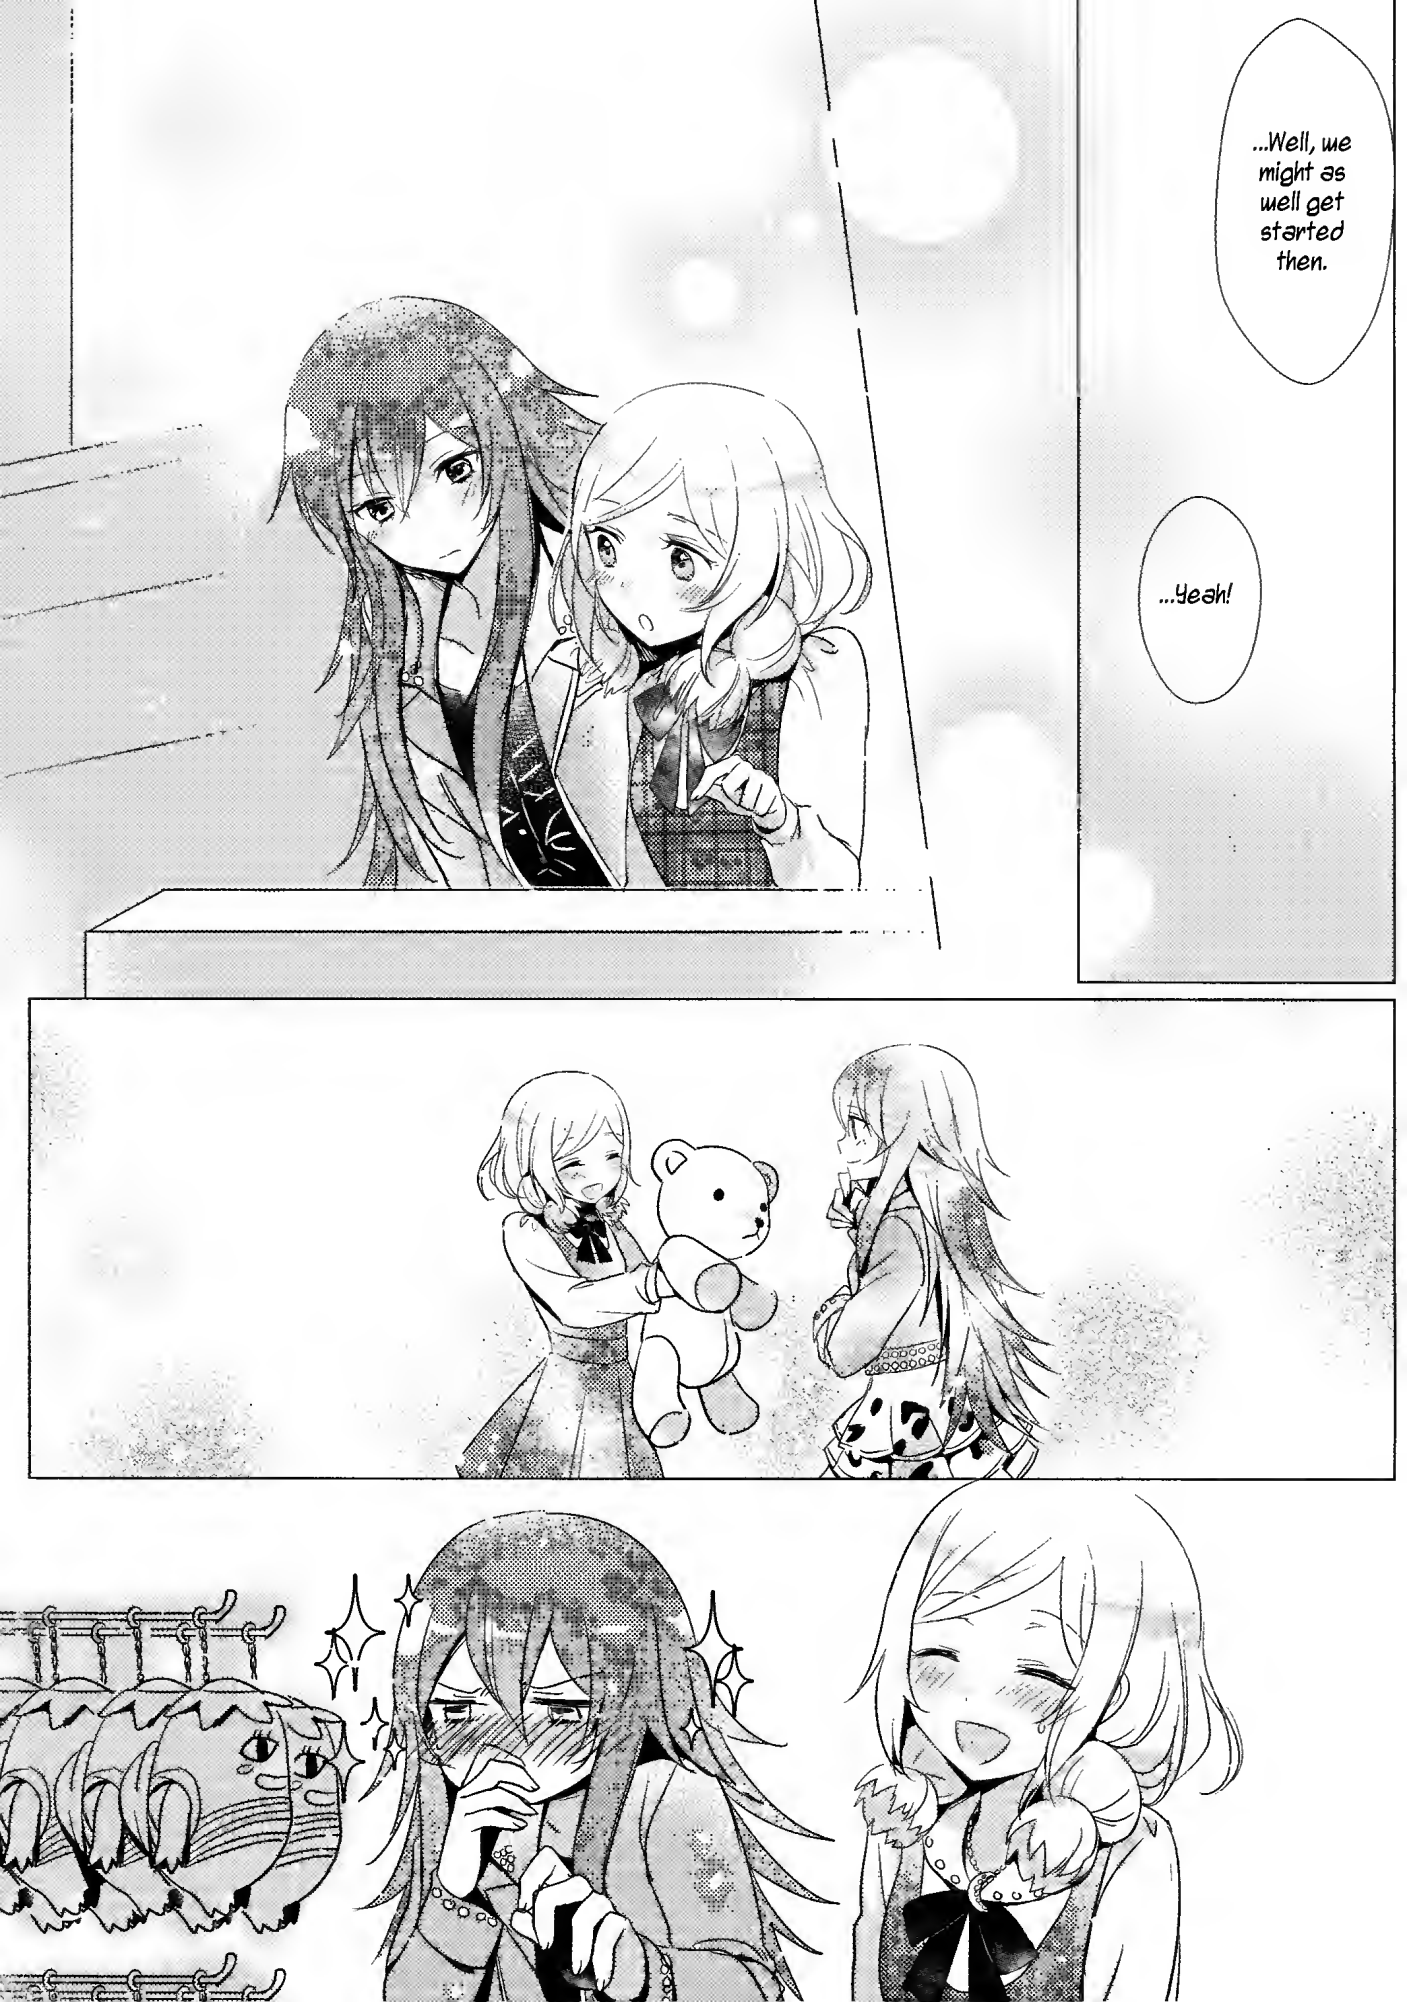
What should I do...?

This is almost like...

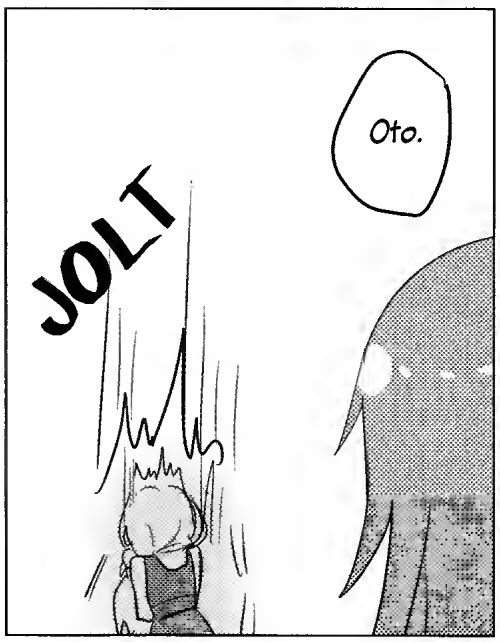


the two of us are going on a date.
...And with that thought stuck in my head, I couldn't get any sleep at all.
I'm such an idiot...
In the end, I wound up coming here an hour early as well.
Haah...
It might be March, but it's still kinda cold out...
Oto?

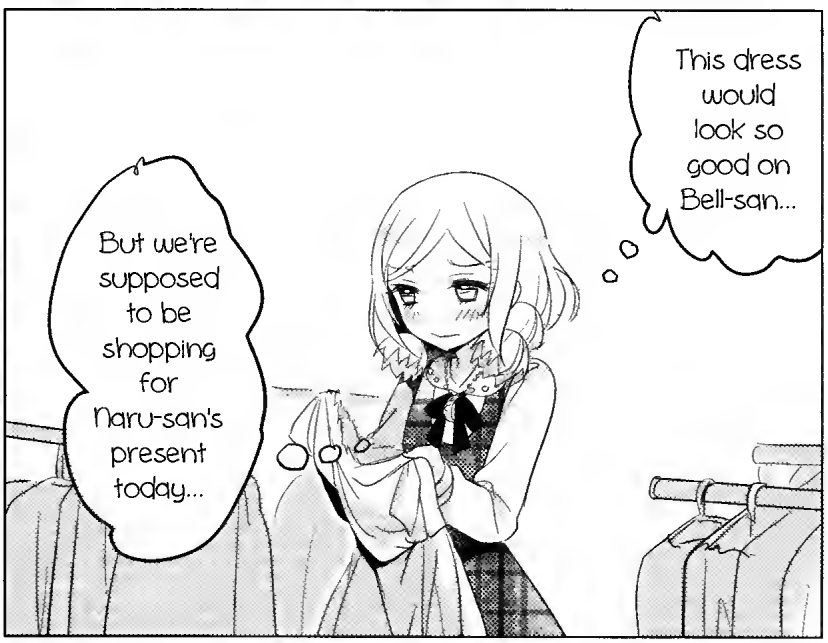
B-
B-B-B-
Bell-san?!
What are you doing here, Oto? It's still a long time before we agreed to meet up.
Hawawawa...
But B- Bell-san, aren't you here early, too...?
Oto, that means...
...Uh.
blush
giggle



...Well, we might as well get started then.
...Yeah!



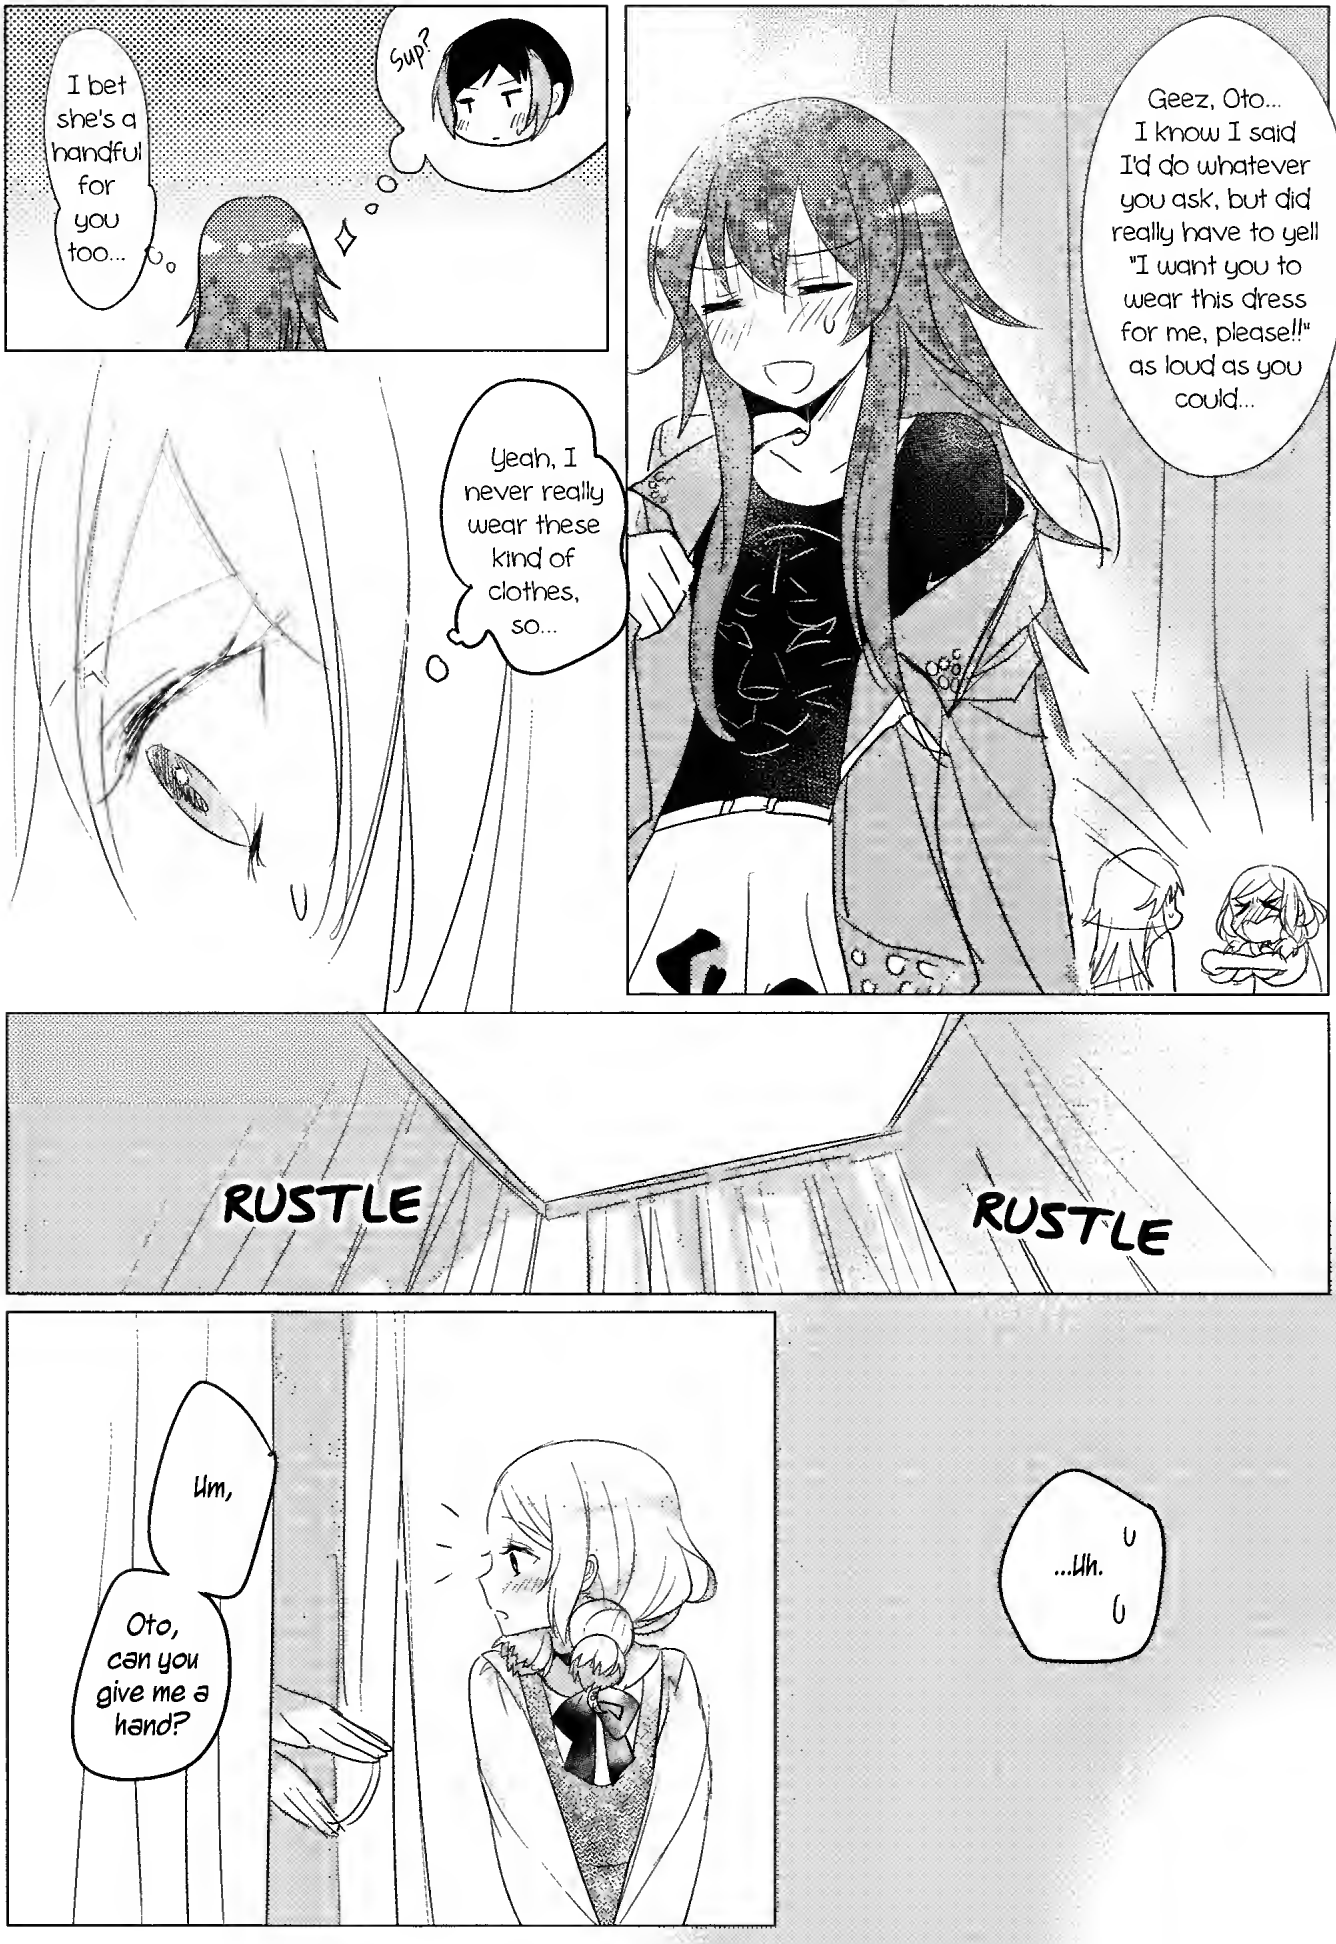
Oto.
JOLT



This dress would look so good on Bell-san...
But we're supposed to be shopping for Naru-san's present today...

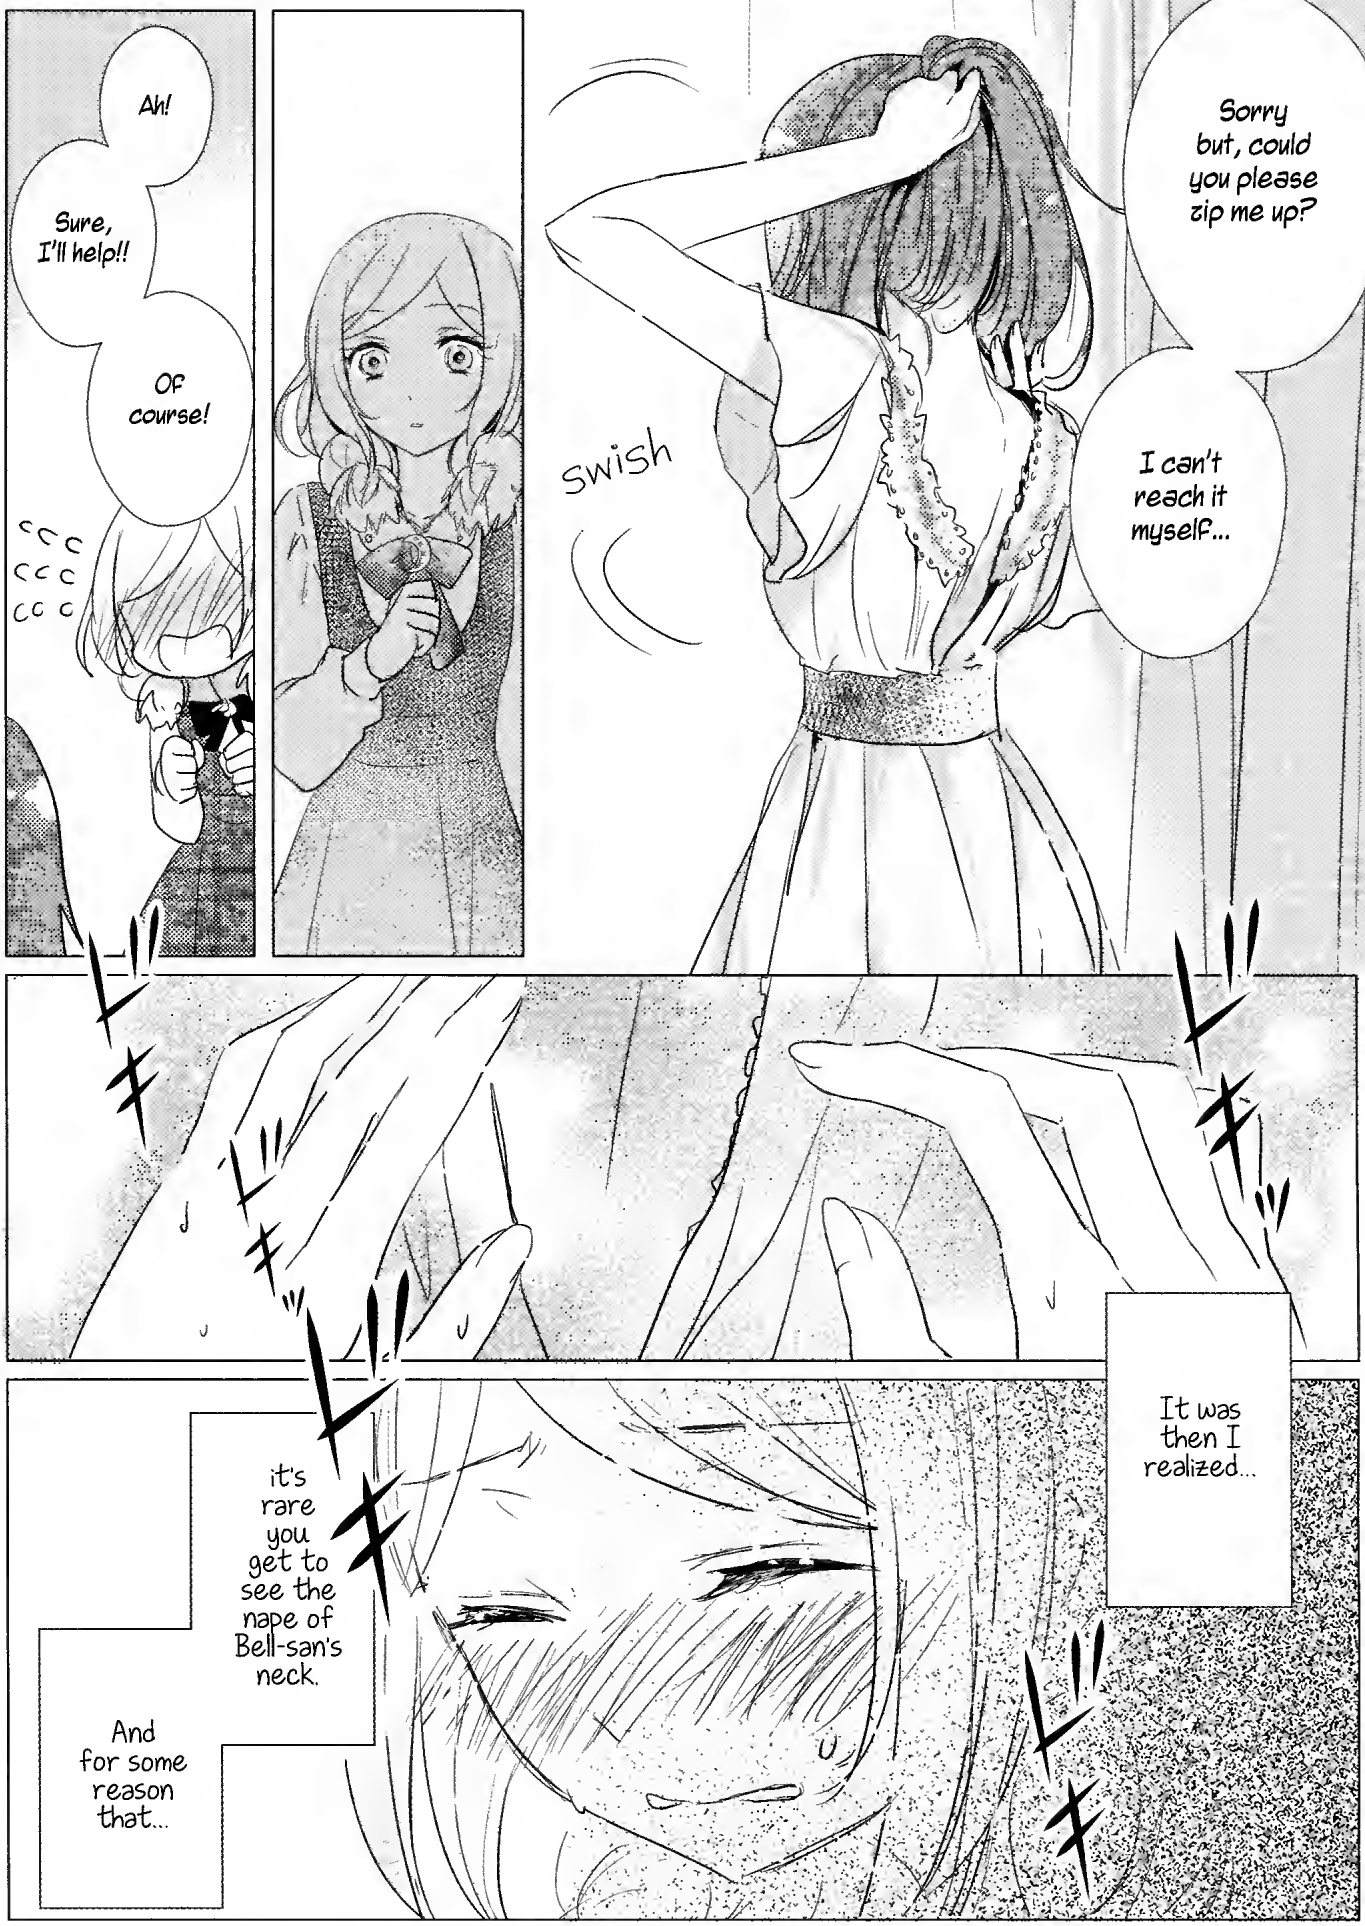
Something bothering you?
It's nothing important.
N-no!
Oto,
you know, if there's something you want from me, all you have to do is ask.
For you Oto, I'd be okay with anything.

Ah, um...
Well, actually...
Sure, just hold my bags for me.
Okay.

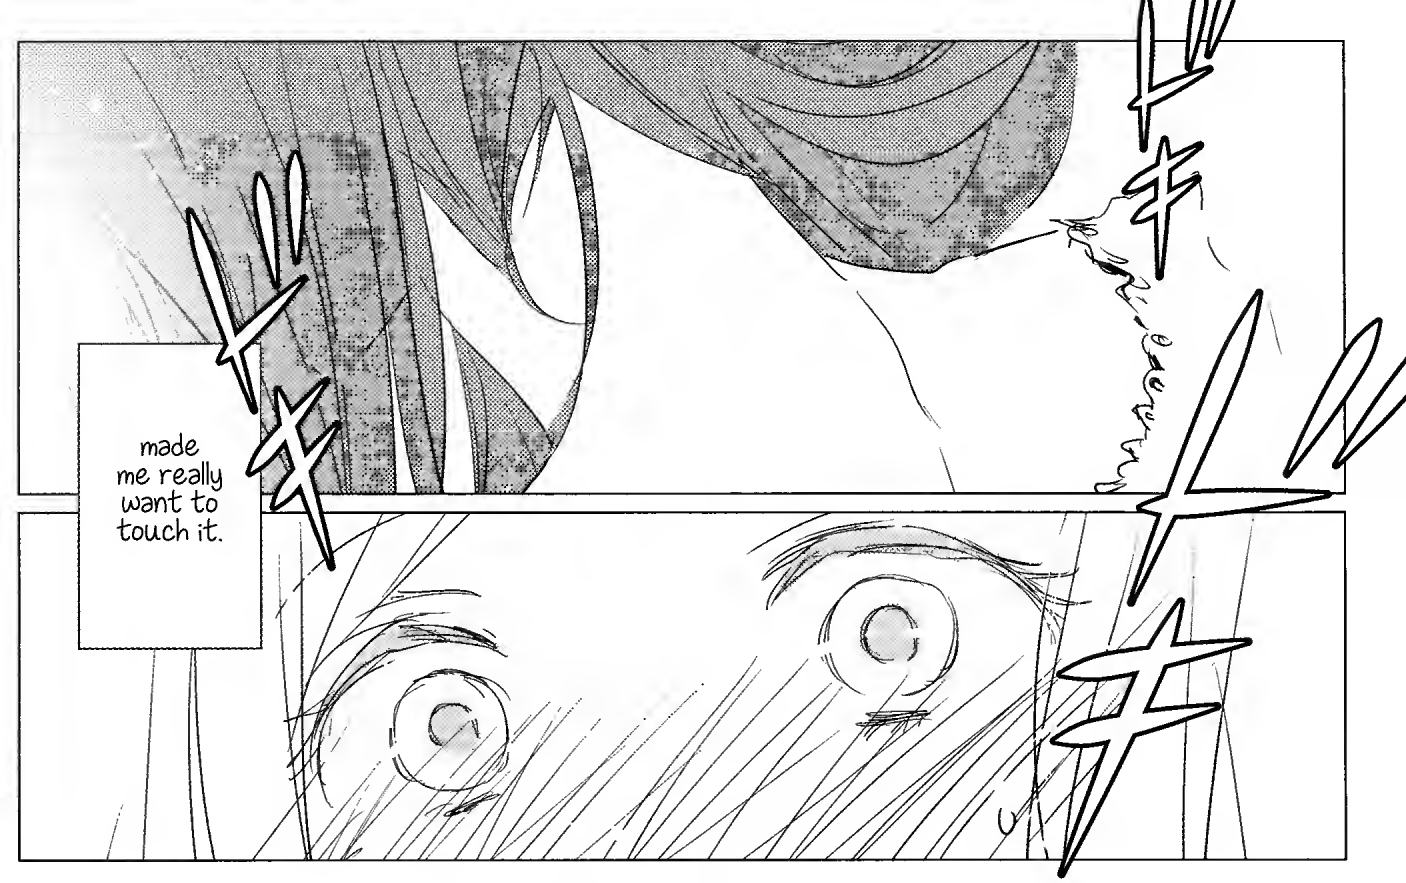


I bet she's a handful for you too...
Sup?
Geez, Oto... I know I said I'd do whatever you ask, but did really have to yell "I want you to wear this dress for me, please!!" as loud as you could...
Yeah, I never really wear these kind of clothes, so...
RUSTLE
RUSTLE
Um, Oto, can you give me a hand?
...Uh.

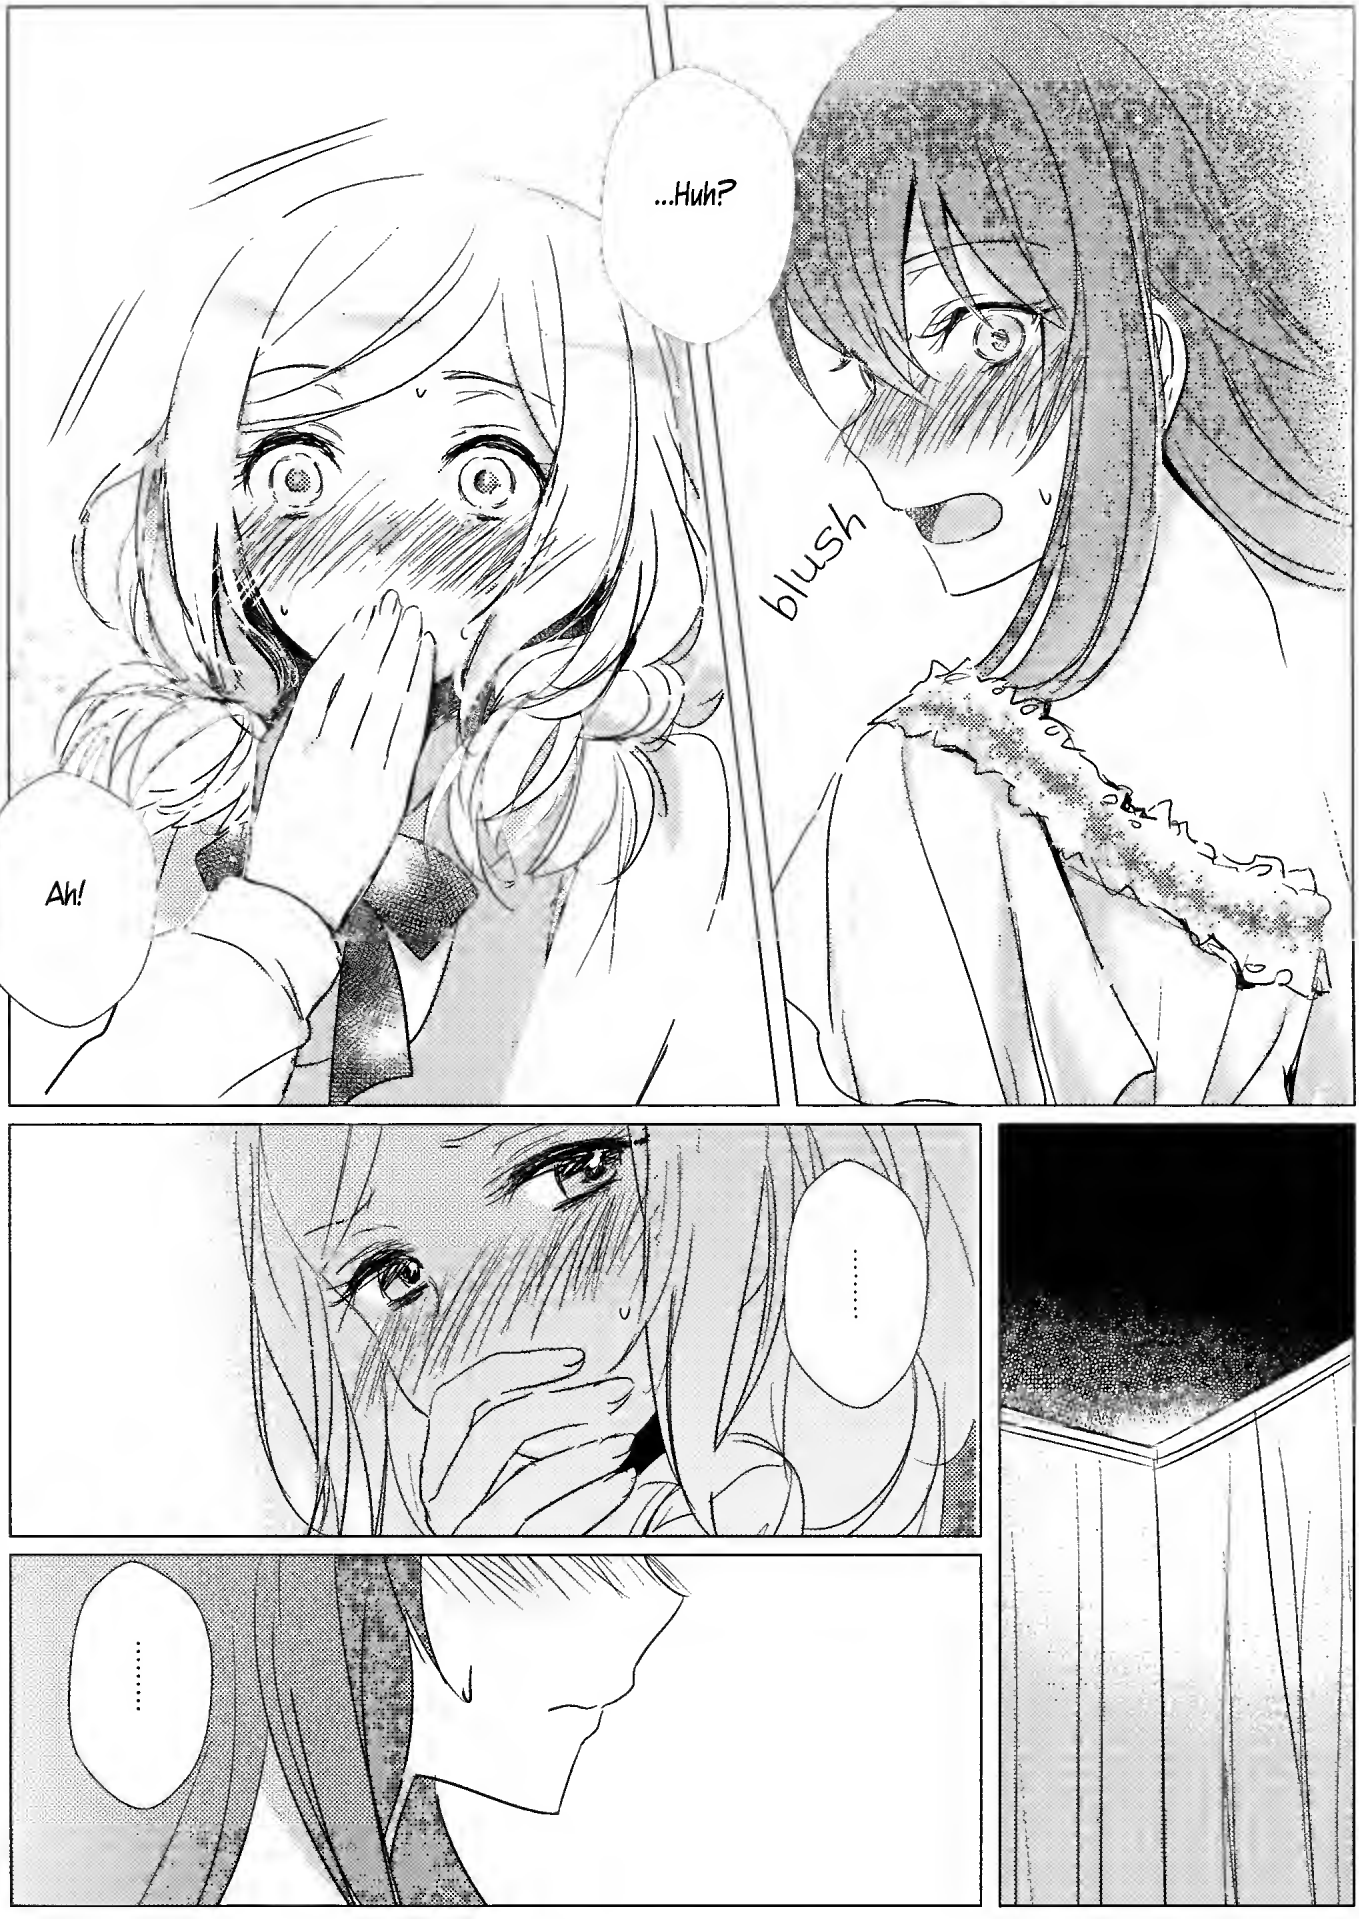
Sure, but with what...?
swoosh
Eh?
Oto.



Ah!
Sure, I'll help!!
Of course!
Sorry but, could you please zip me up?
I can't reach it myself...
swish
It was then I realized...
it's rare you get to see the nape of Bell-san's neck.
And for some reason that...



And then, without thinking I...



...Huh?
blush
Ah!
.....
.....

step
I-I'm sorry, Bell-san! I-I just—

Wha!?
drip
Ah.
Eh!
Huh?
to do something like that to me without any warning...
it sure takes a lot of nerve.
Squeeze
...Oto,
S-so,
that was your punishment.

That day,
Bell-san
and I...

inadvertently
got a taste
of something
forbidden.

Nor was it from the fact I showed up to our meeting place early.
It also wasn't because I was flustered and nervous.
Of one thing I'm sure.
It wasn't because I didn't sleep last night.

No.

Everything happened because of this dress.

...Yeah, let's go with that.

Thanks so much for picking up my book.
I'm Irua.
I went and wrote another embarrassing
BellOto situation.

Also, a big thanks to ShioCabbage-san for proof reading.
You're always helping me out.

The title, "Nibble" means "to take tiny bite" in English.
It's a fitting title for the contents, right?
I really just wanted to draw Oto kissing
the nape of Bell's neck... Also, the reason I drew
them in Winter clothes even though
it's Fall is just because I wanted to as well... Yep.
If I get the chance, I'd love to draw
another story about these two.
